Center for Medicare and Medicaid Innovation (CMS Innovation Center) – Milestones and Updates Methodology

Overview:

This dataset contains records of publicly-available events and announcements related to the CMS Innovation Center, including model and demonstration start and end dates, application and participant information, and newly-available related web and online content. When the CMS Innovation Center updates an entry on a model web page, a corresponding entry is added to this dataset. These updated data points are displayed on the CMS Innovation Center's website for public consumption.
